ELEMENTARY AND HIGH SCHOOLS

(By Counties)

The list of elementary and high schools is set up according to the organization of the various counties. Counties are divided into their districts (or areas, if the county is one district) and the schools in that district or area are listed alphabetically. District or area superintendents are given at the beginning of each district or area. The * indicates that the school is affiliated with the Southern Association's Cooperative Program in Elementary Education.

ABBEVILLE COUNTY
